

Pushing Snow Removal

to the edge

JENSEN

Quick Hitch

The **Quick Hitch** system is a removable mounting system that makes it virtually effortless to mount and dismount your plow—returning your vehicle to it's original appearance in a matter of seconds.

JENSEN SNOWPLOWS

MANUFACTURED BY HOLLAND EQUIPMENT CO.

SHOCK ABSORBING CYLINDER

Cushions plow trip so impact is soft and smooth.

FOUR SPRING DESIGN

Increases trip control and insures the plow trips evenly.

HIDEAWAY HYDRAULIC PUMP

Quick, responsive and powerful, yet hidden from view.

IN-CAB PLOW CONTROLS

Choose between rocker panel switch or joystick controls. Each can be custom fit or rocker switch can be left unsecured.

RUBBER BUMPERS

Provide cushioning effect—reducing wear on truck

ALL STEEL CONSTRUCTION

Provides a heavy duty, durable and yet competitively light plow.

ELECTRICAL CONNECTIONS

Heavy duty, fast connect/disconnect—with automatic cover on electrical control fitting when not in use.

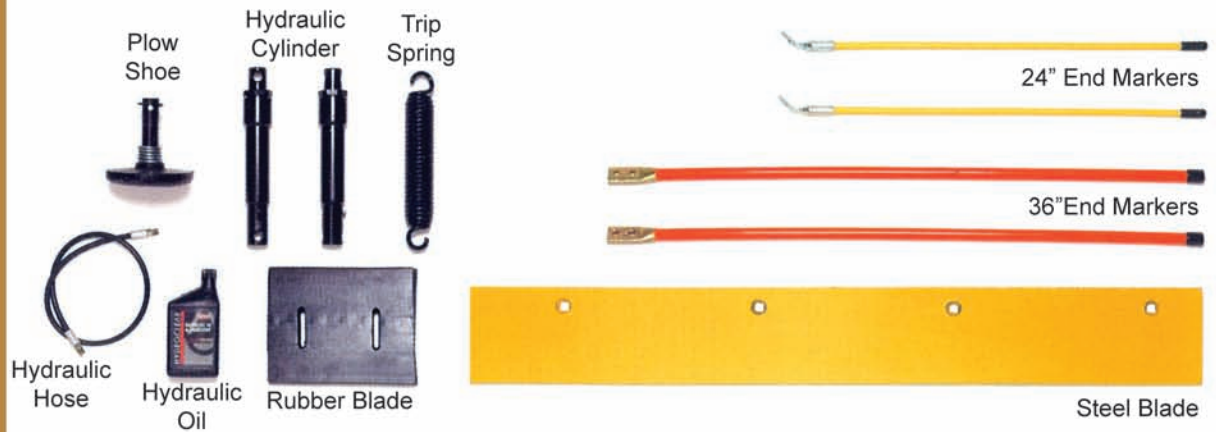

HIGHER GROUND CLEARANCE

Even with the plow attached, the truck has plenty of ground clearance.

HOLLAND EQUIPMENT COMPANY

has been manufacturing quality **JENSEN** snowplows for over twenty five years. We very proud of the reputation **JENSEN** plows have earned. **JENSEN** plows have been tested and proven right here in the Rocky Mountains where quality snow removal equipment is a necessity.

Products & Accessories
